

Isabelle, a font for the pleasure of writing well!

Isabelle,

A font for the pleasure of writing well!

<http://raziellapettinati.com/en/graphopedagogy-and-rehabilitation/font-isabelle/>

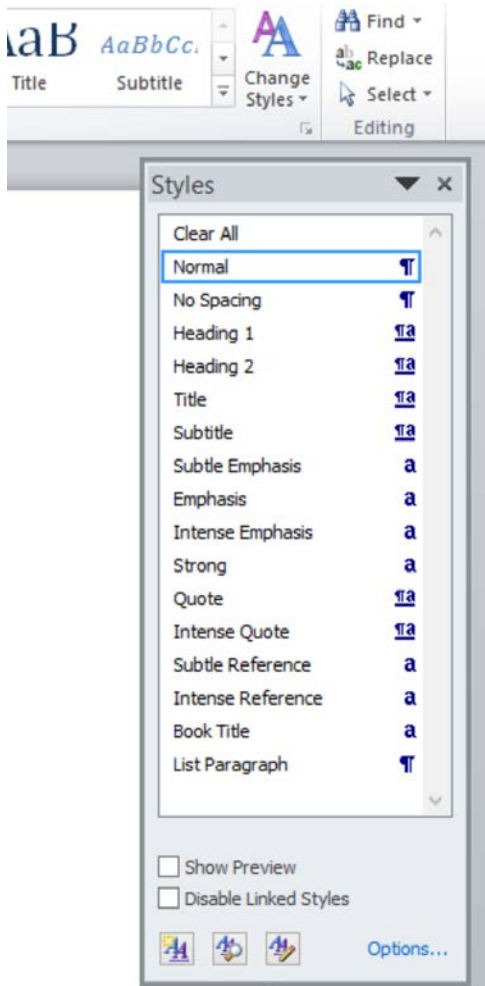

Do you want to add an Isabelle style in your Word processor so that you do not have to make configuration manipulations each time you create a new document?

Here is how:

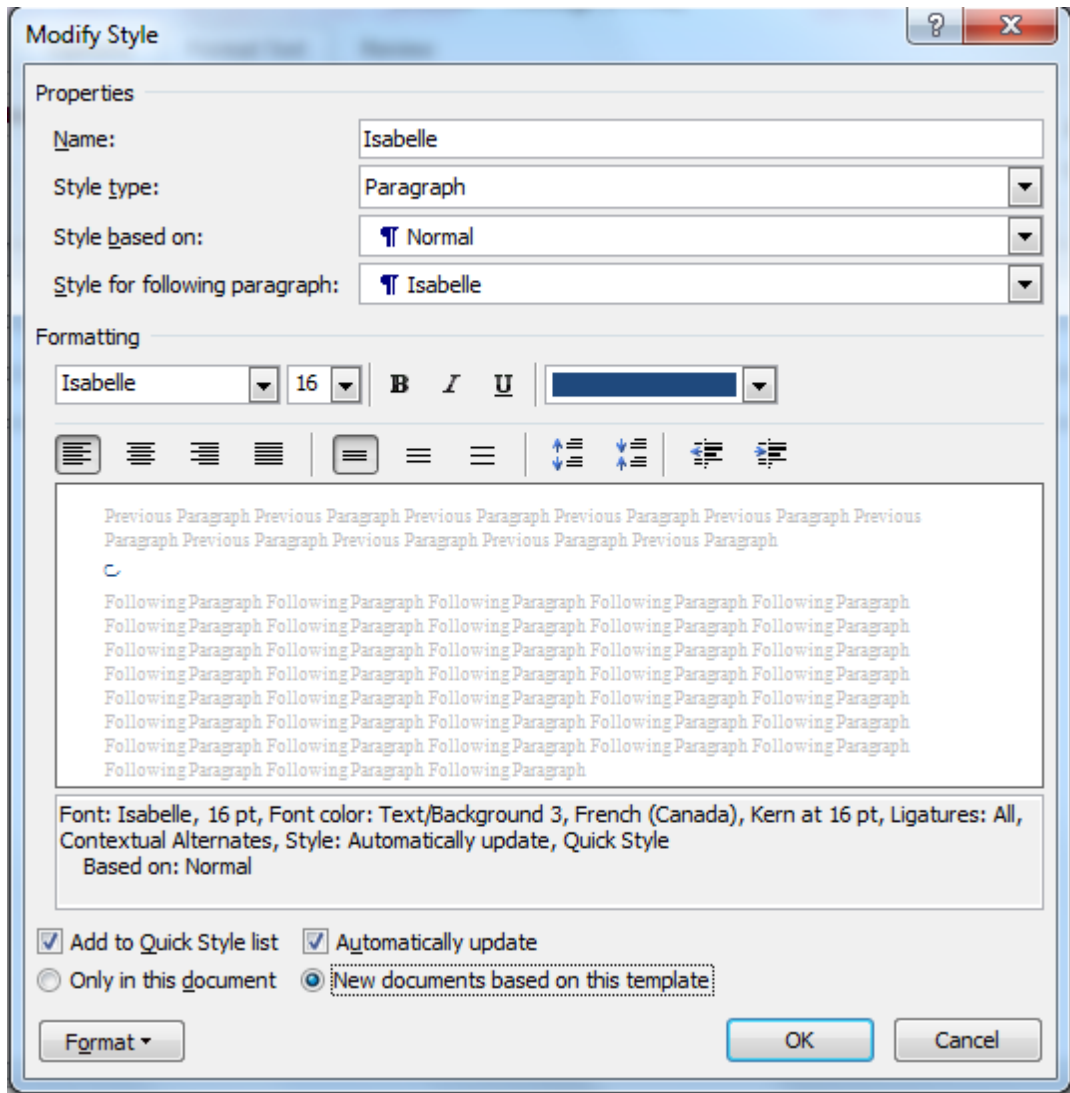

Open the style settings.

Click to add a new style

Now you have a new dialog box with all the characteristics of the Isabelle font

Click OK

By selecting the Isabelle style, the letters will be automatically linked.
